TERMS AND CONDITIONS OF PARTICIPATION

The pottery market in Hüfingen—an event organized by the town of Hüfingen—is a small but excellent market with 30 to 50 participants, designed with quality, manageability, and sales opportunities in mind.

Participants will be selected and will receive a binding confirmation of participation by email or post in mid/late March 2026. Applicants who are not accepted will also be notified at the same time in 2026. The selection by the market management is final.

Parallel to the pottery market, a competition exhibition will take place in the town hall gallery, in which market participants can take part with their own works.

As part of the International Ceramics Weeks, exhibitions of contemporary ceramics independent of the market will be held in the Hüfingen City Museum of Art and History.

The basic flat rate for a market stall space up to 3.5 m wide and 2 m deep is €165.00. For each additional meter of width, an additional €20.00 will be charged.

You will receive a separate invoice from the town of Hüfingen for the transfer of the market fee.

If you withdraw your registration after March 31, 2026, the market fee cannot be waived, as the advertising materials will already be in production at that point.

In the event of a market inspection, please present your trade license, tax number, and/or written recognition as a freelance artist.

Only professional ceramists are admitted to the market. Academic and/or arts and crafts training is desirable but not mandatory; the organizer will decide on admission based solely on the quality of the work.

There is no entitlement to a specific stand location. Places will be allocated by the organizer according to the registered stand formats and the overall concept of the market.

Only ceramics made by hand or in small series from the workshop registered for the market may be offered for sale.

The workshop owner or a direct employee of the workshop must be present at the market stall.

Für eventuell auftretende Schäden am Stand, an der Ware, an den Fahrzeugen sowie im Falle von Diebstahl haften die Teilnehmer des Marktes persönlich.

Die Verkaufsstände sollten kreativ und sorgfältig in einer dem Angebot entsprechenden Weise gestaltet sein.

Die Zusage für den Töpfermarkt Hüfingen ist gültig für das jeweils aktuelle Veranstaltungsjahr.

The offer must correspond to the type and quality of the goods presented in the application documents submitted.

By signing the application form, you accept the conditions of participation and the application requirements.

Unfortunately, applications without photos and those received after February 28, 2026, cannot be considered.

We look forward to receiving your application!
